

SPECIFICATIONS

STRUCTURE

- Building with anti-seismic reinforced concrete structure, with slabs in accordance with National and European regulations in force. Stair and lifts wells made from reinforced concrete, providing increased rigidity to the core of the building.

FACADE

- Building facade coated with thermal insulation with expanded polystyrene aggregates - EPS, ISODUR type, offering excellent thermal behaviour.
- Facade finished in white, grey and suede colour, combined with ceramic coating.

ALUMINIUM WINDOW FRAMES

- Thermo-lacquered aluminium exterior grey window frames with thermal cut. Double-glazed windows, with air chamber, making the apartments extremely comfortable in terms of temperature and noise level.

WALLS AND INSULATION

- Apartments divided by double ceramic brick walls with insulation.
- Apartment interior walls in ceramic brick.
- Solutions optimise acoustic comfort in apartments.

FLOORING

- Floating laminated floors with AC4-class resistance and white-lacquered MDF skirting boards in the entrance hall, living room, bedrooms, corridors, and communal bathroom.
- Kitchen floor with MARGRÉS (or similar brand) rectified ceramic tiles.
- Remaining bathrooms with MARGRÉS (or similar brand) rectified ceramic tiles.
- Balconies in MARGRÉS (or similar brand) mock-wood ceramic tiles.

INTERIOR WALLS

- Walls plastered and coated in white matt paint in the entrance hall, living room and bedrooms.
- Walls finished in smooth white matt paint combined with ceramic tiles from MARGRÉS (or similar brand) in the communal bathroom.
- Walls lined in ceramic tiles from MARGRÉS (or similar brand) in the remaining bathrooms.
- Kitchen walls with smooth finish in white matt paint. Compact quartz stone worktop between the kitchen furniture.

CEILINGS

- Corridor ceilings in plasterboard coated in white with smooth matt paint.
- Kitchen and communal bathroom ceilings in insulated water-repellent plasterboard, coated in white with smooth matt paint.
- Living room and bedrooms plastered and finished with smooth white matt paint.

INTERIOR CARPENTRY

- Entrance security door, white lacquered on both sides, with a stainless-steel handle.
- Inside doors, coated in white and with stainless-steel ironmongery.
- Full height wardrobes, with white-painted doors and stainless-steel ironmongery, fitted internally with rail and shelves. Insides made of coated melamine.

KITCHEN FURNITURE AND APPLIANCES

- Fitted kitchen incorporating high-capacity cabinets, with compact quartz stone surface.
- SMEG (or equivalent brand) stainless-steel sink tank, extensible mixer tap.
- SMEG appliances. In the 2- and 4-bedroom apartments include:
 - Multispeed extractor fan
 - Induction hob
 - Multi-function oven
 - Microwave oven
 - Built-in fridge with integrated freezer
 - Built-in dishwasher
 - Built-in washer-dryer
- 4-bedroom apartments, with side-by-side fridge and freezer, with separate clothes washer and dryer.

SPECIFICATIONS
